EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Thomas M. Champagne on 22 February 2005.

The application has been amended as follows:

The Claims has been amended as follows:

Claim 21, in line 1, "network resources" has been changed to – for network resources on a network --.

2. The following is an examiner's statement of reasons for allowance: the arguments applicant has presented in paper filed 12 November 2004 have been found to be persuasive as to the prior art rejections and the 101 rejection of claim 8 now claim 22 and dependent claims. As to claim 21 a network is defined in the Microsoft Press Computer Dictionary third edition as being a group of computers and associated devices and thus refers to physical devices and not met by software or other abstractions therefore claim 21 is statutory subject matter as it refers to actions performed with or on a physical device.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
